Promoting TVET in Secondary Schools December 2016 Outreach

Holy Faith Convent

Members of the Jobs and Career Coach (JCC) unit and the Business Development and Communications (BD&C) department of the National Training Agency (NTA) visited Holy Faith Convent, Couva and St. Joseph's Convent, St. Joseph, as part of their Secondary School Outreach for December 2016.

NTA staff was able to provide students with insightful information which would help them to form more realistic and reachable personal, career and educational goals. Career days and outreach drives help students to discover opportunities and gives them a chance to explore different options and career paths, while obtaining valuable interview and job search experience from seasoned professionals.
